UNIVERSITY WITH A PURPOSE

- The University follows semester system. In the data presented in the **Criteria 2.5.2**, only May Cycle (Even Semester) is considered. Where May cycle was conducted in April and May till 2017-18 for Graduating batches and Non-Graduating batches separately, figures have been added.

Since the denominator for this criteria shall be picked up automatically from the extended profile, the calculations of the data pertaining to number of students has been based on even semester i.e., at the end of Academic Year.
