ADMISSION LETTER

I am pleased to inform you that, within the framework of the cooperation agreement between the University of Orléans and the University of Petroleum and Energy Studies in India, **you have been accepted to come and study at Polytech Orléans**, the engineering school of the University of Orléans.

You will be able to join the Department of **Civil and Geo-Environmental Engineering** during the fall semester 2018/19.

In order to make your online pre-registration and to make a reservation for an accommodation, you now need to go on the University of Orléans website:

<https://uorleans.moveon4.com/form/5832a9e63f5d66204b08ee13/eng>

Please follow carefully the procedure and send all the required documents. The accommodation office will only send you an offer for an accommodation upon reception of all the required documents. However there is no guarantee for you to get an accommodation on our campus.

Exchange students welcomed to the University of Orleans are exempted from tuition fees. They must pay however for the compulsory French social security, for their travel expenses and accommodation.

ESN (Erasmus Student Network) launched a sponsorship program dedicated to European and international students. We invite you to join their group <http://esnorleans.buddysystem.eu/> to find a sponsor, your "buddy"; if you get in touch with him/her before your arrival, he/she can possibly pick you up at Les AUBRAIS-Orléans Train Station and help you integrate in your new environment.

We ask you to **arrive on the 29th of August 2018** to participate to the compulsory orientation days.

We look forward to welcoming you next August!

You will also do a campus tour to discover your new environment.

Our team requests that you keep us updated on a regular basis regarding your visa application process if you come from outside the EU.If you wish to stop the enrolment process, would you kindly send an email to international@epita.fr.
